

**Annual Yacht Cruise (June 12)** -- Organized by Stanford, Brown, and U.Penn.

Is the bright sunny days making you think of leisure boat cruises? Want to put in some water time before the Dragonboat festivities? Your in luck, cause it's time again for our club's annual summer cruise around the island!

Organized jointly by alumni of Stanford, Brown and Pennsylvania, participants will be whisked away from the bustle of Central to one of Hong Kong's getaway coastal hotspots in a matter of minutes! A delicious lunch (including wine and drinks) will be served, followed by an afternoon of your choice of more wakeboarding, banana-boating, ocean swimming and/or just relaxing aboard the ship (or as some have done in past years, swim to the nearby beach). The yacht is also equipped with full amenities (a/c) and entertainment system for those just looking for some sun! So get out your summer clothes and join us all for a weekend that's sure to be remembered!

As always, space for this event is very limited. Last year, the organizers received overwhelming signup interest and dozens of people had to be turned away. Don't let this happen to you -- please rsvp as soon as possible if you are interested. Thanks, and see you on the yacht!
